EXPERIENCE

09/2020 - 11/2021

Cecula Limited

Front-end Developer (Fulltime), Akwa Ibom
I built a food vendor webapp, where vendors can easily build their bundles and create different products for customers to purchase

I also built a website that accepts job applications for different categories

06/2019 - 08/2019

HNG internship

Front-end developer, (Intern) Lagos
Developed team communications and information for remote meetings.

Worked on a website that accepted donations in any form for uneducated children.
